Why do we Pledge

Our giving reflects our prayerful response to God's call to be good stewards of our material possessions. As an acknowledgement that all we have comes from God, our generosity is an expression of faith.

We are all called to contribute a portion of our time, talent, and treasure toward the work of the church. The best way to give to the Cathedral is to become involved with one of our ministries, and to make a financial pledge.

The size of the pledge is less important than your willingness to commit a definite amount towards the support of God's work in this Cathedral.

Pledged amounts enable the Cathedral to budget for its ministries and provide a stable financial base to support its many outreach programmes.

We encourage you to join the debit order plan by filling out the form on the reverse of this leaflet.

Please prayerfully consider your commitment, so that you will be able to honour your pledge throughout the year.

Thank you for your generous response.
